## PROCESS OF ENROLLMENT

**Please read this entire document prior to filling out the application**

1. **Phone Call** (which has already been done)
2. **Application:**
  - Complete the entire interview application and mail or email it back to us. (married couples need to each fill out an application) [mason@freshstarttrainingcenter.org](mailto:mason@freshstarttrainingcenter.org)
3. **Setup Interview:**
  - After we receive your application, and review it, we will then call you to setup a date for an interview.
4. **The Interview:**
  - This is a process that is done for: us to get to know you, you to get to know us, getting a better understanding of what will be expected of you, & getting a tour. You can plan on the process taking probably 2-3 hours.
  - You will likely need a Pastor or Accountability (Support) team member to come with you to the interview. We will discuss this with you in the phone call when the interview is set up.
5. **Commitment To Come:**
  - After the interview, you will be handed a Commitment Form to be signed if you are ready to move forward with the program. You will need to fill it out and send it back to us. It would also be nice if you could call our office, ask to talk to Mason Gordon, and tell him if you plan to send that commitment or not. (Office Ph. 812-254-3399)
  - If we do not receive the commitment to come you will not be put on the “Waiting List”.
6. **Waiting List:**
  - Once you are on the waiting list, you will be given the next available date of entry.
7. **Enter Program:**
  - Welcome to “Fresh Start”. Here you learn to work with your heart and hands. You will be assigned a counselor that will meet with you weekly. You will also be engaged in doing Bible study, Bible memory, seminars, setting goals, & job training (building lawn furniture, dovetail drawers, & cabinet face frames, etc....)
8. **Graduation:**
  - After 8 months of diligent study and hard work, we will aid you in developing a home plan. This will assist your accountability team in holding you accountable for what you would like to accomplish. A graduation service will be held for family, ministry, and accountability. **(People who fail never plan to fail, they just fail to plan)**
9. **Follow-up Program:**
  - This is a program after graduation that includes an accountability package with a few tools to assist you in walking faithfully with the Lord. As a part of that, we like to see you come back somewhere around the 3-6-month mark for a time of refreshing. (This would be for a week) We also encourage graduates to come back for the graduation of fellow clients at any time.
